

Teams and Grouping Introduction

This appendix contains tools useful for teachers and students to help teams operate successfully and achieve their goals. Four documents are designed to aid teachers in assigning students to teams and having teams agree on norms and objectives. These are:

- 1. Team Roles*
- 2. Designing Team Contracts*
- 3. Student Contract Sample*
- 4. Rules for High Performance Collaboration.*

Four other documents are samples and suggestions for exercises that help students learn to operate as a team, resolve conflicts, and communicate effectively with one another. These are:

1. Team Building Exercises
2. Communication Worksheet
3. Conflict Resolution Speak
4. Problem/Compromise Cards
